6 EASY STEPS

1. CHOOSE YOUR SOLUTION

DECIDE BETWEEN

· Exridge branded,
· Hybrid White Label or
· Full White Label solution,

· Your own PBX,
· Exridge Hosted PBX or
· Fully Managed

2. ADD ON FEATURES

Select the features you require to go to market and satisfy your most demanding customer's needs.
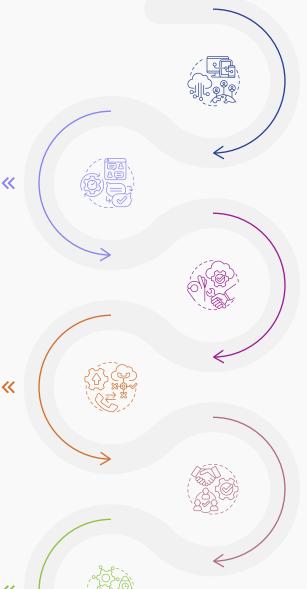

Features include
· Advanced Provisioning,
· Multi-Media Messaging,
· Virtual Numbers with SMS
· And much more.

3. CUSTOMISE DESIGNS

Upload your logo, select from an auto-generated colour theme & ready-made icon sets. Or request a bespoke design.

Receive your MVP in 24 hours for $49 to $99.

4. TEST, TEST & SHARE!

Create test accounts on your PBX or Exridge's PBX, from the Admin Panel or from the app (depending on your chosen features). Test & share for 21 days.

5. SUBSCRIBE

Once you are happy, complete the SaaS Agreement, make your first payment and we will start on any Add-On Features – keeping you in the loop at all times.

6. LAUNCH !

After you complete end user testing, the production app is built and we submit to the app stores on your behalf. Wait for approval & launch your app!
